Idaho Rules Governing Food Safety and Sanitation Standards for Food Establishments (Idaho Food Code) requires that food establishments, as defined by Idaho Food Code, obtain a license prior to operating and renew the license annually. Food establishments must submit a renewal application by December 1st of each year for the forthcoming year, which begins January 1st. The appropriate license fee must be paid prior to the license being issued. The license is non-transferable and may be suspended for violations of food safety regulations as outlined in the Idaho Food Code.

Signature of the applicant is an agreement to the terms and conditions of a license as contained in Section 8-304.11 of the Idaho Food Code and attests to the accuracy of the information provided per section 8-302.14 (G). **Applications can only be signed by owner or legal agent. Unless exempted by the Idaho Code 398-414.11, or defined as low risk, all food establishments are required to pay a license fee. Without the fee, the application cannot be processed.**
