

# *Cancer Support Group*

As part of our services through Cassia Regional Medical Center,  
**Intermountain Homecare**  
offers a no-cost cancer support group to those in the community fighting  
cancer and their adult family members who support them.

## *Bi-monthly Meetings*

1st & 3rd Mondays starting March 2nd, 2:00-3:30 p.m.  
Parke View Care Center in The Oakley Room

## *Purpose*

The cancer support group at Cassia Regional Medical Center is designed to provide educational materials and guidance, a safe haven, and a place to meet others in similar situations. We invite all those in the community with cancer and those supporting them in their fight to join the cancer support group.
