PRESS RELEASE – For Immediate Release

Contact: Rene LeBlanc, SCPHD District Director, 737-5902

Scheduling a Flu Shot Just Got Easier At South Central Public Health District!

TWIN FALLS-On Monday, November 1, South Central Public Health District (SCPHD) will begin offering two easy ways for clients to make flu shot appointments. With the help of eMedischedule.com, SCPHD will utilize online clinic scheduling and automated phone system to support client appointment scheduling needs.

Clients simply have to visit our website www.phd5.idaho.gov and click on the provided link; or clients can dial 1-877-394-3592 to make appointments through the automated phone system.

“The implementation of the online appointment scheduling system is consistent with our efforts to continuously improve our services to the public through effective use of technology,” said Rene LeBlanc, SCPHD Director. “This allows our clients 24/7 access to scheduling their flu shot appointments either online through our website or by calling our automated phone system.”

For more information on the services of the SCPHD and office locations, please visit www.phd5.idaho.gov .
