

VACCINE PRIORITIZATION

Established by the Idaho COVID-19
Vaccine Advisory Committee (CVAC)

PHASE 1, GROUP 1: HEALTHCARE PERSONNEL & LONG-TERM CARE FACILITY RESIDENTS

ONGOING

1.1

Hospital staff essential for care of COVID-19 patients and maintaining hospital capacity (includes support staff as well as clinical staff)

ONGOING

1.1

Outpatient clinic staff essential for care of COVID-19 patients and maintaining hospital capacity

ONGOING

1.2

Long-term care facility staff

ONGOING

1.2

Home care providers for adults 65 years of age and older or for other adults or children with high-risk medical conditions.

ONGOING

1.3

Emergency Medical Services (EMS)

ONGOING

1.4

Outpatient and inpatient medical staff not already included above who are unable to telework

ONGOING

1.5

Dentists, dental hygienists and dental assistants

ONGOING

1.6

Pharmacists, pharmacy technicians and pharmacy aides

ONGOING

1.7

Public health and emergency management response workers who are unable to telework

ONGOING

1

Long-term care facility residents

IMPORTANT NOTE:

South Central Public Health does not determine these priority groups, but we help to distribute vaccine to the individuals who qualify for each group.

Because of a limited supply of this vaccine, it may take weeks to move from one Priority level to another.

VACCINE PRIORITIZATION

PHASE 1, GROUP 2: FRONTLINE ESSENTIAL WORKERS & ADULTS 65 YEARS OF AGE AND OLDER

STARTED

2.1

First responders (other than EMS) and safety
(fire/police/protective services/community
support)

STARTED

2.1

Pre-K-12 school staff and teachers and daycare
[childcare] workers

STARTED

2.1

Correctional and detention facility staff (other than
medical)

ON DECK

2.2

Adults 65 years of age and older

**NOT
STARTED**

2.3

Food processing workers

**NOT
STARTED**

2.3
