

VACCINE PRIORITIZATION

Established by the Idaho COVID-19
Vaccine Advisory Committee (CVAC)

PHASE 1, GROUP 1: HEALTHCARE PERSONNEL & LONG-TERM CARE FACILITY RESIDENTS

STARTED

1.1

Hospital staff essential for care of COVID-19 patients and maintaining hospital capacity (includes support staff as well as clinical staff)

STARTED

1.1

Outpatient clinic staff essential for care of COVID-19 patients and maintaining hospital capacity

STARTED

1.2

Long-term care facility staff

STARTED

1.2

Home care providers for adults 65 years of age and older or for other adults or children with high-risk medical conditions.

STARTED

1.3

Emergency Medical Services (EMS)

STARTED

1.4

Outpatient and inpatient medical staff not already included above who are unable to telework

ON DECK

1.5

Dentists, dental hygienists and dental assistants

ON DECK

1.6

Pharmacists, pharmacy technicians and pharmacy aides

**NOT
STARTED**

1.7

Public health and emergency management response workers who are unable to telework

STARTED

1

Long-term care facility residents

IMPORTANT NOTE:

South Central Public Health does not determine these priority groups, but we help to distribute vaccine to the individuals who qualify for each group.

Because of a limited supply of this vaccine, it may take weeks to move from one Priority level to another.

VACCINE PRIORITIZATION

Established by the Idaho COVID-19
Vaccine Advisory Committee (CVAC)

PHASE 1, GROUP 2: ESSENTIAL WORKERS

**NOT
STARTED**

2.1

First responders (other than EMS) and safety (fire/police/protective services/community support)

**NOT
STARTED**

2.2

Pre-K-12 school staff and teachers and daycare [childcare] workers

**NOT
STARTED**

2.3

Correctional and detention facility staff (other than medical)

**NOT
STARTED**

2.4

Food processing workers

**NOT
STARTED**

2.5

Grocery and convenience store workers

**NOT
STARTED**

2.6

Idaho National Guard (other than medical)

**NOT
STARTED**

2.7

Other essential workers not already included and unable to telework or to distance from others at work

IMPORTANT NOTE:

South Central Public Health does not determine these priority groups, but does help to distribute vaccine to the individuals who qualify for each group.

Because of a limited supply of this vaccine, it may take weeks to move from one Priority level to another. Public health does not expect to have enough vaccine for the general public until Spring or Summer 2021.
